THIRD ANNUAL CONVOCATION—HAMILTON, 1860. 9

The Grand Scribe E, read the rules and regulations for the government of the Grand Chapter.

The minutes of the last Annual Convocation, held at the City of London, on the 16th day of February, A. D., 1859, also of an Especial Convocation held at the City of Kingston, on the 12th day of July, A.D., 1859, were read, and on motion confirmed.

It was, after due consideration, decided for all future time to be a regulation of this Grand Chapter,—

That the confirmation of minutes be held to mean that its proceedings have been correctly transcribed, and when so recorded must be confirmed.

The Grand Scribe E, submitted a letter he had received from the M. E. Grand Z, expressing regret that circumstances of an unavoidable nature precluded the possibility of his being present to preside over this Grand Convocation, and begged to have submitted the following Address and correspondence on matters of importance for the consideration of the Grand Chapter.

ADDRESS.

Companions :

I regret most sincerely that it is out of my power to preside at the present Convocation. I am sorry both officially and personally, for I very much wished to have assisted in your deliberations, and exchanged those personal and social acts of friendship, which are so well calculated to bind the human family more closely together, and alleviate the pain of subsequent separation.

Stationed, however, as I am at this almost remote end of Canada, with the means of communication liable, on any day, to be seriously interrupted at this season of the year, and having important duties to attend to, which, just now, especially claim my time as a Public Servant of the Province, and which cannot be put aside, I am obliged, much against my inclination, in this manner to bring before your notice such matters as I deem interesting, and with which it is my duty to make you acquainted.

The *condition* of our *Order*, since our last meeting, has been one of increasing prosperity. I have granted *four Dispensations* for *new Chapters*, viz:—

Wilson,	R. A. C., Windsor,
Bedford District,	R. A. C., Dunham,
Wawanosh,	“ Sarnia,
Carleton,	“ Ottawa,

The applications for which were duly recommended by the respective District Grand Superintendents, and I trust that Grand Chapter will confirm my Dispensations, and grant Warrants of Constitution to the petitioners.

Two Chapters, hailing under the Registry of Ireland, have *affiliated* during the past year, viz:—

Cataraqui,	R. A. C., Kingston,
Independent,	“ Quebec,

At this period, consequently, there are *seventeen Chapters*, hailing from and acknowledging the authority of the Grand Chapter of Canada, and there are, I am told, grounds for believing that this number will materially increase during the current year; but the reports of the District Grand Superintendents, required to be rendered annually, will, I trust, give a more clear view of the State of Royal Arch Masonry in their several Districts; while the returns made by the respective Chapters will afford you statistical information as to their individual condition.

ENGLAND.

It is with real pleasure I am able to state that our recognition by the *Supreme Grand Chapter of England* is so far ratified, that some simple points, relating to the intermediate Degrees, and their effect on the privileges of English Royal Arch Masons, only require to be cleared up to the satisfaction of the Grand Principals. I have sent the most full information to the Grand Scribe E, in London, and feel sure that no long time will elapse before the Grand Chapter of England and ourselves will be united by the most fraternal and cordial bonds of fellowship and communion. The Grand Scribe E, will presently read the correspondence to you, and I recommend that it be spread on our Minutes for publication, with other proceedings of Grand Chapter.

SCOTLAND.

Our recognition by the *Supreme Grand Chapter of Scotland*, I am happy to report, is complete, as the following very gratifying communication will prove to you.

(Copy.)

“EDINBURGH, 30th June, 1859.

“To the Most Excellent the Grand Principals, Office Bearers, and Companions of the Supreme Grand Royal Arch Chapter of Canada,—

GREETING :

“We, the Chairman of Committee and Scribe E. of the Supreme Grand Royal Arch Chapter of Scotland, as authorized by the minutes of meeting held on Wednesday, 15th inst., beg leave to acknowledge receipt of an Address then laid before this Chapter from the Supreme Grand Chapter of Canada, wherein, after detailing the grounds on which it was considered necessary to institute a controlling power in that Province over Royal Arch Masonry and the happy accomplishment of their object, they proffer the right hand of fellowship and desire fraternal recognition.

“We are, at same time, commanded to express the gratification which it affords this Grand Chapter to be favored with a communication so much in unison with that spirit which it is fitting and becoming the head of Royal Arch Masonry in one country to evince towards that of another, tending as it is thought, in no small degree, not only to the prosperity of the Bodies under separate control, but to the advancement of the Order in general. We have further the satisfaction of expressing the delight which it gives the Grand Chapter to accept of the fellowship tendered them in the Address now under acknowledgement, and also the pleasure, which, by the mutual recognition of each other, it is anticipated will follow their efforts in co-operating with the Supreme Grand Chapter of Canada in any measure calculated to enhance the dignity or promote the usefulness of the two Grand Bodies.

“In the name and by the appointment of the Supreme Grand Royal Arch Chapter of Scotland, and the Seal of the same, caused to be affixed this thirteenth day of June, A.D., 1859, A. L., 5863.

(Signed.)

“P. COWAN, *Chairman of Committee.*

“

“WM. GAYNOR, *Grand Scribe E.*”

Before, however, I leave Scotland for other countries in like amity with us, I regret to state that I have received intimation of a chapter on the registry of Scotland, exalting candidates in a spirit of rivalry, and with the avowed purpose of opening a Royal Arch Chapter at Whitby, not to be under the control of the Grand Chapter of Canada. I need hardly point out that Scotland, having fully and handsomely recognized the authority of the latter, has virtually surrendered all her former power in Canada, except over such of her Chapters, as were in existence at the time of recogni-

tion, and can grant no fresh Charters. If, therefore, individuals hailing from *any new Chapters* in this Province, except constituted by the Grand Chapter of Canada, present themselves at your portals, it will be your strict duty to *refuse them admittance*, and *hold no companionship* with them. I shall communicate what I have heard to the Grand Chapter of Scotland without loss of time.

UNITED STATES OF AMERICA.

Copies of the Proceedings of the Grand Chapters of—

Connecticut, California, Illinois, Indiana, Kentucky, Louisiana, Mississippi, Maine, North Carolina, New York, New Hampshire, New Jersey, Ohio, South Carolina, Virginia, Vermont and Wisconsin, have been received during the past year, and, as our Constitution does not specially provide for the appointment of a committee on foreign correspondence, I shall notice them briefly in my present Address.

The contents are of varied interest, and will well repay perusal, but being principally applicable to their several localities, it is unnecessary to make lengthy quotations therefrom. They are important and valuable, as evincing, by their transmission, the kindly encouragement and brotherly feeling of the Grand Chapters of the United States towards our young, but healthy Body. The great questions of all the communications appear to have been—*Uniformity of Work*—and that relating to the connection existing between State Grand Chapters and the *General Grand Chapter* of the *United States*, and the propriety of dissolving the said connection. Our tried friend "*Vermont*" says on this subject,—“After a careful perusal of twenty-five pamphlets, varying from sixty to two hundred pages each, your Committee find fewer topics of general interest than was anticipated, owing probably to the all-absorbing interest excited by the question of the General Grand Chapter.”

CONNECTICUT.

(*Meets in May.*)

Reports No. of Chapters, 27—Exaltations, 155—Members, 1670. Acknowledges Proceedings of Grand Chapter of Canada.

CALIFORNIA.

(*Meets in May.*)

Reports No. of Chapters, 24—Exaltations, 227—Members, 911. And the Committee on foreign correspondence state,—“That all the Grand Chapters of the United States, with the exception of three, besides this Grand Chapter, have recognized

the Grand Chapter of Canada, and being in such matters in favor of being guided by the expression of the majority, they recommend that said Grand Chapter be recognized by this Grand Chapter." *And it was Resolved*,—"that this Grand Chapter cordially recognizes the Grand Chapter of Canada, and extends to it a welcome into the confederation of Grand Chapters."

ILLINOIS.

(Meets in September.)

Reports No. of Chapters, 57—Exaltations, 355—Members, 1752. Acknowledges Proceedings of Grand Chapter of Canada, and says:—"One thing is exceedingly gratifying in Canadian Masonry, that is, the almost universal kindness and fraternal feeling and spirit pervading all their proceedings and correspondence, whether in a state of agreement or disagreement."

INDIANA.

(Meets in May.)

Reports No. of Chapters, 42—Exaltations, 168—Members, 1391. Publishes no report on foreign correspondence.

KENTUCKY.

(Meets in October.)

LOUISIANA.

(Meets in February.)

Reports No. of Chapters, 25—Exaltations, 86—Members, 682. The Grand Chapter of Canada is not mentioned, except in a note, to the effect, that no exchanges have been received from it.

MISSOURI.

(Meets in May.)

Reports No. of Chapters, 27—Exaltations, 86—Members, 703. Publishes extracts from the Proceedings of Grand Chapter of Canada. The Grand High Priest, in his Address, calls attention to the prevalence of *profane swearing* and *intoxication*, and calls upon the Companions to seek out and effectually apply a remedy against those vices, that Royal Arch Masonry may not be dishonored, and, in conclusion, he asks the following very pertinent

questions—"Have we tried to perform our masonic duties as we should? Have we, by friendly, kind and brotherly advice, tried to bring back our erring Brother to the path of duty? Have we tried to dispense true masonic light and knowledge as far as we could? Have we thrown the mantle of charity over the foibles and faults of our Companions, or have we blazoned them to the world? Have we spoken kindly to our Brother's face and unkindly behind his back? It is well for us to think of these things and make ourselves practical as well as professed masons."

MISSISSIPPI.

(Meets in January.)

Reports No. of Chapters, 70—Exaltations, 265—Members, 2123. Publishes no report on foreign correspondence.

MAINE.

(Meets in May.)

Reports No. of Chapters, 9—Exaltations, 37—Members, 538. Acknowledges Proceedings of Grand Chapter of Canada.

NORTH CAROLINA.

(Meets in June.)

Reports No. of Chapters, 31—Exaltations, 17—Members, 894. Acknowledges proceedings of Grand Chapter of Canada, and the committee report as follows:—"We delayed extending the right hand of fellowship, until we could be in possession of information affording some assurance that we, by our recognition, were not encouraging 'insubordination or resistance' to the legal authority of a foreign jurisdiction. We now learn that the Grand Lodge of England has virtually relinquished her claims by the formal acknowledgement of the independence of the Grand Lodge of Canada; and she not claiming jurisdiction over the Royal Arch and the appendant Degrees, we see no reason for withholding masonic fellowship; and we recommend that this Grand Chapter extend to her a cordial recognition, and welcome her into the ranks of independent Grand Chapters, with a true fraternal feeling."

NEW YORK.

(Meets in February.)

Reports No. of Chapters, 168—Exaltations, 567—Members, 3711. The only reference to the Grand Chapter of Canada relates to its official recognition by the several Grand Chapters of the United States.

Acknowledges Proceedings of Grand Chapter of Canada.

NEW JERSEY.

(Meets in September.)

Reports No. of Chapters, 8—Exaltations (no correct return)—Members, 277. The Proceedings extend from its organization in December, 1856, to September, 1859. On motion the following Resolutions were adopted. “*Whereas* the Grand Chapter of the State of New Jersey has heard with great satisfaction of the regular formation and organization of the Grand Royal Arch Chapter of Canada. *Resolved*,—That we cordially welcome them into the Sisterhood of Grand Chapters, and extend to them our fraternal recognition and the right hand of fellowship. *Resolved*, That the usual correspondence and intercourse be opened with the same, and that the Grand Secretary be instructed to communicate a copy of these Proceedings to the Grand Royal Arch Chapter of Canada, duly authenticated by the Seal of this Grand Chapter.”

The Grand Chapter of New Jersey most wisely enacts,—“That no Chapter shall receive a Warrant from it, until the officers named shall exemplify to the satisfaction of the Grand Chapter and officers their capacity to perform the duties they are then to assume.”

OHIO.

(Meets in October.)

Reports No. of Chapters, 79—Exaltations, 403—Members, 2800. Publishes no report on foreign correspondence.

SOUTH CAROLINA.

(Meets in February.)

Reports No. Chapters, 22—Exaltations, 52—Members, 372. Publishes no report on foreign correspondence.

VIRGINIA.

(Meets in December.)

Reports No. of Chapters, 47—No correct return of Exaltations and Members. The Committee on foreign correspondence state as follows:—“We agree heartily with Vermont (Report of 1857) that Committees on foreign correspondence are transcending their prescribed limits. We even go further, and think these

Reports are, in many cases, injurious, as provoking strife, recrimination and bitterness."

VERMONT.

(Meets in August.)

Reports No. of Chapters, 13—Exaltations (no return)—Members, 731. The Committee remark that all the proceedings of the Grand Chapter of Canada indicate the true spirit of faithful and excellent Companions, and we cordially extend to them the right hand of fellowship.

WISCONSIN.

(Meets in February.)

Reports No. of Chapters, 18—Exaltations, 80—Members, 589. The Committee recommend a fraternal recognition and cordial welcome to the Grand Chapter of Canada, and, on motion, the recommendation was adopted as the sentiments of the Grand Chapter of Wisconsin.

Since the organization, therefore, of the Grand Chapter of Canada, copies of Proceedings have been received from *twenty-two* Grand Chapters of the United States, leaving only *eight*, with which, up to this date, we have not had the pleasure of direct communication, viz :—

Arkansas, Georgia, Iowa, Maryland, Massachusetts, Michigan, Pennsylvania, and Tennessee.

Arkansas and Michigan have fully recognized the Grand Chapter of Canada, as I find stated in the communications received from other Grand Chapters ; while, from the same source, I discover that Massachusetts, looking upon us, as "*established and organized in direct violation of Masonic authority and usage*," declines recognition. As she, however, stands alone in her opinion, I conceive that it does not require to be specially combatted or deprecated. I am quite sure that I express the feeling of the Grand Chapter of Canada, in assuring Massachusetts, that we shall be well pleased, at any future period, to establish the most friendly intercourse with her, as a State whose friendship will, at all times, be valuable to Canadian and English Royal Arch Masons, for many reasons.

It is computed that the *number of Freemasons* in the *United States* is about 400,000, of which about 50,000 have been exalted to the Holy Royal Arch, and the Grand High Priests of the respective Grand Chapters report the Order to be every where in a state of progressive prosperity.

I cannot resist, before introducing other matters to your notice, bearing testimony to the kindly and Masonic tone of the

Proceedings thus briefly reviewed, and remarking that in the face of a contrariety of opinions and views, you will look in vain for one single sentence that can be construed into an allusion to the important wants, that now and then occur, and convulse and outwardly appear to threaten to shake to pieces the fabric of our powerful and energetic neighbor. This is as it should be. The tie that binds Freemasons is no ordinary one. Our time-honored Order has often stepped in and helped to alleviate the horrors and distresses attending upon war. The Indian has subdued his ferocity and thirst for blood in deference to its merciful power,—and who can limit the service it may render, should unhappily, the terrible evil of civil and national dissension be suffered to prevail amongst us?

The subject which I wish to submit next for your consideration is the *Constitution*. At the last annual Convocation a committee was appointed to revise it, and report thereon at the next meeting of Grand Chapter. The committee consisted of Companions residing at Quebec, Toronto, Brockville, Simcoe, Kingston and Belleville, and it must strike every one that, thus constituted, it was not very likely to meet, except in a hurried manner,—probably just before the assembling of Grand Chapter,—and, consequently, that any great amount of deliberation on the important matter intrusted to it could hardly be expected. A report should have been furnished to the Grand Scribe E, sixty days anterior to the meeting of Grand Chapter, in order that he might previously submit all proposed amendments to the various subordinate Chapters. This could not be done, and I am under the impression that, in future, the nomination to all committees of only two or three Companions, residing in immediate vicinity to each other, would be much more beneficial in every way. In the meantime, as your First Grand Principal for the time being, I beg to suggest some alterations in the Constitution, which I think are necessary and likely to prove of advantage. Their adoption of course rests with Grand Chapter. They are as follows:—

Of Grand Chapter—Art. 5.—Add at end—"The Grand Principal, Z., H., and J., must be First or Past First Principals, and the others (except the Janitor) Principals or Past Principals of a Chapter."

Art. 11.—Add at end—"In all cases where Summonses are issued, whether by Grand or Private Chapter, at least seven clear days' notice shall be given."

Of Grand Officers—Art. 1.—Omit as unnecessary. See—"The Grand Chapter, Art. 2, 3 and 4."

Art. 3.—Instead of “The Grand Superintendent of the District,” read “the Senior Grand Superintendent of a District present,” &c.

Of Grand Superintendents of Districts.—*Art. 1.*—Omit “seven in number,” and read “The Grand Superintendent for each District, whose rank or seniority shall be as defined by the Grand Lodge of Canada, shall be nominated,” &c.

Art. 5.—For “Warrants to be recommended,” read “*must* be recommended,” &c.

Grand Scribe E. and N.—*Art. 1.*—Omit “who shall be an Installed First Principal,” &c., already provided for under the head “of Grand Chapter, Art. 5.”

Of Grand Principal Sojourner, &c.—*Art. 2.*—Omit as unnecessary.

Government of Subordinate Chapters—*Art. 2.*—For “confirm the said Dispensation or grant,” &c., read “*and* grant,” &c.

Of Subordinate Chapters—*Art. 1.*—For “three Sojourners, two Scribes and a Janitor,” &c., read “two Scribes, three Sojourners, and a Janitor,” &c.

Art. 4.—Instead of “by the Grand Z.” read “by one of the Grand Principals, or Superintendents of Districts, or by some present or Past first Principal,” and omit (as now done in England) the words “delegated for that purpose by the Grand Z.”

Art. 6.—I think the First Principal should be an Installed Master or Pastmaster of a Lodge, but that is the only restriction I am in favor of,—as the law stands, it almost disfranchises some Chapters, is a serious drawback, and often prevents their opening and working. I do not find that Foreign Chapters suffer, by reason that they do not compel a regular gradation upwards of tenure of office. I therefore recommend that this Art. be altered as follows: “No Companion shall be eligible for the First Principal’s chair, unless he be an Installed Master or Pastmaster of a regular Lodge,”—and omit the remaining portion altogether.

Art. 8.—At the end, for “as a *First* or Past Principal,” read “as a *Principal* or Past Principal,” &c.

Art. 12.—For “and discharge,” &c., read “who shall discharge,” &c.

Art. 14.—Add “Every Mark Master must select his mark within six months from the date of his taking the Degree, and a description of it shall be returned by his Chapter, for record by the Grand Scribe E.”

Art. 16.—For “*twelve*” read “*three* Calendar months at least,” and add “Except by Dispensation from the First Grand Principal, which shall not, however, be for a shorter period than four weeks.”

With regard to this law as it stood, the Supreme Grand Chapter of England has seen and provided a remedy against its injurious effects, caused by other Grand Chapters having no restrictive rule, by so amending it, as to sanction the exaltation of candidates, in Chapters abroad, after four weeks, by dispensation. The dispensing power was confined to the First Grand Principal and Provincial Grand Superintendents, but a motion has recently been adopted (2nd November last) to the effect, that in Colonies where there is no Superintendent, Private Chapters shall have power to exalt in four weeks in cases of real necessity, the reasons for which shall be reported to the Supreme Grand Chapter, and the only proviso being, that in each case the three Principals of the Chapter agree to the emergency.

The Provincial Grand Superintendent for Bengal thus writes to the Grand Scribe E, of England,—“As no restrictive rule exists in the Scottish Chapter working in Calcutta, Brethren, desirous of exaltation to the Royal Arch, do not feel disposed to wait twelve months for it, and they naturally take the degree where they can obtain it with facility. Thus the Chapters working under the Supreme Grand Chapter of England are deserted, and will ultimately have to be closed, if a remedy be not applied speedily.” And again—“I have deemed it absolutely necessary to authorise the exaltation of Brethren to the Royal Arch four weeks after receiving the degree of Master Mason; instead of considering that to be the *time of Emergency* only as directed by the Supreme Grand Chapter of England.” These extracts I consider peculiarly applicable to the present position of the Grand Chapter of Canada.

Art. 17.—Add “This is not, however, to extend to serving Companions, who may be exalted free of fee or charge; provided that a Dispensation be obtained from the First Grand Principal or Grand Superintendent of the District in which the candidate resides.”

Art. 18.—After “Brethren exalted,” insert “or Companions first joining from a foreign Chapter,” &c., and add at the end “A memorandum shall be made on the margin of the certificate of the dates of taking the Degrees of Mark, Past, and Most Excellent Master.”

The foregoing comprise the alterations I felt it to be my duty to suggest, and I recommend those affecting “*Subordinate Chapters—Art. 6 and 16*”—to your especial consideration.

Before I conclude, I must request you to consider the peculiar nature of the *present Convocation* of Grand Chapter. The constitution provides that the Election, &c., of all officers shall be holden in the *month of February*, at which the place of holding the next *Convocation* during the annual communication of the Grand Lodge may determine, at such hours as the M. E. Z. may appoint the next regular Convocation to be held in July 1860," and before the close of the Convocation, on motion, it was unanimously resolved—"That the next regular Convocation of this Grand Chapter be held in the city of London, subject, nevertheless, to the action of the Grand Lodge of Canada selecting the same place for its annual communication in A.D., 1860."

The Grand Lodge having decided to meet *next July at Ottawa*, there remains on my mind a doubt, as to whether the actual period for holding the Regular Annual Convocation of Grand Chapter and electing officers does not remain "in *statu quo*," and the present is therefore the constitutional time for carrying out the law, the place of meeting to be determined by me. It remains for Grand Chapter to solve this doubt, and proceed or not with the Elections, &c., according to the view taken of the law being in its normal condition or otherwise.

Finally, my Companions,—I cannot take leave, without tendering my thanks to you for raising me to my present high and honorable position, and assuring you that, should it now be your pleasure to exercise your prerogative by the election of a successor to my important office, I shall not deem myself at liberty to relax my personal exertions for the benefit of the Grand Chapter and our Order in general. Indeed it may be a proper matter for you to consider whether it would not be more advantageous for your First Grand Principal to be a Companion, whose residence is not so distant from you, as mine unfortunately is at present.

I would like to meet and take counsel with you on other points than those already mentioned in this Address, and one I cannot avoid making strong allusion to. It is the increasing propensity, which all must have observed, of making Freemasonry subservient to individual private interests. I allude specially to what I can only designate—"travelling *Pedlaring*"—under the *mantle* of our *Order*. With *Masonic Emblems* ostentatiously put forward, men systematically roam about, hawking their wares and whose claims to membership are not always scanned as closely and severely as they should be. I call this growing evil a prostitution and a degradation of our Institution, and I trust that all Companions will unite in discountenancing it as much as possible. Relief to distress must never be refused, but I do not hesitate to declare that quite a number of those, who thus travel,

are not in so great need, as many of the Companions and Brethren, who, from want of strict caution and due examination, they frequently impose upon. Exceptional instances there are of course, but these a little trouble will easily detect, and then a fair and honest purchase may save much misery.

Once again I beg to express my regret that I am unable, at this time, to shake you all by the hand. My heart is with you, and I pray the G. A. O. T. U. to spare us all yet a little while, to bestow his choicest blessings on you and yours, to grant prosperity to the Grand Chapter of Canada, and to preserve our Order, throughout the earth, by cementing it and us, to use our own emphatic language, with every moral and social virtue. So mote it be. I finish with that good old salutation—GOOD BY!

T. DOUGLAS HARINGTON, *G. Z.,*
Grand Chapter of Canada.

Quebec, 1st February, 1860.

CORRESPONDENCE.

[No. 1.]

(COPY.)

TORONTO, Canada, 1st Aug., 1859.

MY LORD AND M. E. COMP.—

I have the honor to acknowledge the receipt of a communication, dated the 16th June last, from the Grand Scribe E. of the Supreme Grand Chapter of England to the Grand Scribe E. of the Grand Chapter of Canada, informing him that the Address of the latter to the former Body, on the subject of its recognition, &c., had been referred to the Three Grand Principals of England; who, “with every desire to preserve a friendly and fraternal intercourse with the Canadian Masons of every degree, could not consistently with their duty, entertain official relations with a Body, which holds as essential to admission into its pale, the possession of degrees, which are not recognized by the Grand Lodge, or the Grand Chapter of England.”

At an Especial Convocation of the Grand Chapter of Canada, this communication was laid before the Companions, and elicited from each and all an expression of unfeigned regret, arising not only from their anxiety to be in close communion with the Grand Chapter of England, but from disappointment; for they naturally concluded that as all difficulties connected with the *Grand Lodges* were happily arranged, the same satisfactory result would be easily matured as regarded the two Grand Chapters. The Companions, however, were impressed with the belief that the Grand Scribe's letter had been written under a misconception; and for the purpose of arriving at a speedy and correct solution, they

were pleased to authorise me, as their First Grand Principal, to communicate with your Lordship, and I do earnestly hope that success may attend my efforts, and that at the next meeting of the Grand Chapter of Canada I may be able to announce that there is not one single difficulty existing between the English and Canadian Craft of every Degree. I am personally encouraged to address your Lordship by my knowledge of your *individual* exertions to establish complete harmony.

To begin, then. The Grand Chapter of Canada cannot comprehend how the introduction of certain intermediate Degrees (absolutely necessary on this side of the Atlantic, and without the possession of which no R. A. Mason can enter a Chapter in the United States of America, where our Masonic intercourse is continuous) can cause the Grand Principals of England to decline recognition and the establishment of regular official relations between the two Bodies, inasmuch as England does not repudiate Ireland and Scotland, who sanction and work very nearly the same intermediate Degrees that the Grand Chapter of Canada authorises.

The Laws of the Grand Chapter of Ireland declare that—"the Degree of Mark Master Mason shall be practised under the jurisdiction and protection of the Grand R. A. Chapter, and by such Lodges only as have R. A. Warrants,"—and what are called the Exct. and Supreme Exct. Degrees form a portion of the R. A. Ceremony.

The Laws of the Grand Chapter of Scotland are more peremptory still, for they declare that—"no one shall be exalted to the R. A. Degree until he has received the Degrees of Mark Master and Past Master; (both of these being Chair Master's Degrees) as also the Exct. Master's Degree, (containing in it the three points commonly called in Scotland, the Exct., Super. Exct. and the R. A.)" Scotland also empowers all Chapters—"to grant the Degrees of Mark, Past, Exct. and R. A.,—as also the Royal Ark Mariner and the Babylonish Pass, which last is commonly but erroneously called the Red Cross, and is composed of three points—Knight of the Sword, Knight of the East, and Knight of the East and West."

The Chapters of the United States oblige all Companions (English or otherwise) to take the three intermediate Degrees, before permitting them even to be present at the R. A. Degree. This is called "*healing*." I am not able to say whether the Grand Chapter of England holds official intercourse with any of the Grand Chapters of the United States.

Taking these well known facts into its consideration, the Grand Chapter of Canada came to the natural conclusion that the Grand

Principals of England, when they directed the Grand Scribe E. to write the words—“*as essential to admission into its pale,*”—must have been under the impression that before a R. A. Mason hailing under England could enter a Canadian Chapter, the possession of the intermediate Degrees was imperative.

My Lord,—If this impression prevails, I assure you it is founded in error. English R. A. Masons can enter our Chapters as freely, and will be received as cordially, as though no such intermediate Degrees never had existence. Should they apply for Membership, they would (when accepted) become amenable to our Constitution, and the conferring of the intermediate Degrees would follow as a matter of course; but their standing as R. A. Masons would not be affected one iota thereby.

I do hope I make my meaning plain,—that your Lordship and the other Grand Principals, and, through you, the Supreme Grand Chapter of England, will be satisfied, and that the natural yearning of the Grand Chapter of Canada for your recognition will meet with speedy and complete gratification.

I send to you, M. E. Companion, the printed proceedings of the Grand Chapter of Canada, which will afford you more information than can be comprised in the compass of a letter, and I would request your special reference to portions thereof at pages 5, 13 and 16, and to our Constitution printed at length with the proceedings. At page 52 your Lordship will find our recognition by the Grand Chapter of Ireland, and the Grand Chapter of Scotland has recently addressed a most gratifying communication to us, a copy of which I transmit.

In conclusion, I cannot help repeating that I do most earnestly hope and trust, that the objection entertained by the Grand Principals of the Grand Chapter of England will now cease to exist; that our proffered right hand of fellowship, M. E. Companion, will at once and for ever be cordially grasped, as it is heartily extended; and that the hearts of the Canadian Companions (my own included) will speedily be gladdened by the receipt *from old England* of a satisfactory communication to that effect in reply to this one.

With sentiments of sincere esteem for your Lordship personally, believe me ever to remain, my Lord and M. E. Comp.,

Yours most respectfully and fraternally,

T. DOUGLAS HARRINGTON, G. Z.,
Grand Chapter of Canada.

The Right Honble.

THE EARL OF ZETLAND,

M. E., 1st Grand Principal,

Supreme Grand Chapter of England.

FREEMASONS' HALL, LONDON, W. C.,
7th October, 1859.

MOST EXCELLENT COMPANION,—

Referring to your communication addressed to the Most Excellent the First Grand Principal, the Earl of Zetland, relative to the recognition of the Grand Chapter of Canada by the Supreme Grand Chapter of England, I am commanded by his Lordship to state, that in a matter of so much importance it is essential that the most careful consideration should be given to the case in all its bearings; that at this season of the year his Lordship and the other Grand Principals are away from London, and that one of them is not at this present time in England; and that it is probable they may deem it expedient to refer the matter back to the Grand Chapter before any definite reply is given to your letter.

In the meantime I am directed to require the favor of your affording some precise information as to the position and privileges of Royal Arch Masons under our Constitution who may visit Chapters holding under the Grand Chapter of Canada, and regarding which some uncertainty exists in this country. I am more especially to ascertain whether an Installed Principal under our Constitution is permitted to enter any one of your Chapters, to be present at the opening, and to remain and witness the whole of your ceremonies from the opening to the closing of the Chapter; or whether, when an exaltation is about to take place, he is not called upon to retire on the ground that Degrees, essential to Royal Arch Masonry as practised in Canada but unknown to him, are to be conferred; and whether he is not kept out of the Chapter until the termination of such intermediate ceremonies, and only re-admitted to witness the closing of the Chapter.

I have to state in conclusion that, inasmuch as the Grand Lodge of Canada has been fully recognized by the Grand Lodge of England, it is the earnest desire of all parties in this country to maintain the most friendly intercourse with Masons of all grades in Canada; but it is felt desirable that the fullest information should be obtained as to the position of Royal Arch Masons under the English Constitution before any decisive step is taken to establish official relations with the Grand Chapter of Canada.

Trusting, therefore, to your courtesy to convey the desired information, I have the honor to be,

Most Excellent Companion,

Your obedient servant and Brother,

WM. GRAY CLARKE, *G.S.E.*

T. DOUGLAS HARRINGTON, Esq., Z.

Grand Chapter of Canada, Toronto.

(COPY.)

QUEBEC, Canada, 20th Dec., 1859.

DEAR SIR AND E. COMPANION,—

I have to acknowledge your communication of the 7th of October last, and must apologize for not replying to it sooner ; but as you state that the question relative to the complete recognition of the Grand Chapter of Canada will probably be referred back to the Supreme Grand Chapter of England, before a definite decision is arrived at, which I am aware cannot be done before February next, I was desirous of consulting the Grand Scribe E, who was in possession of the previous correspondence, and for this I had plenty of time before me. Circumstances, however, connected with the removal of the Government from Toronto to this city and my own health, which required looking after, prevented my seeing the Grand Scribe, Companion T. B. Harris, at Hamilton, until a fortnight since. Both he and I felt rather at a loss what further information I could furnish, inasmuch as in my former letter to the M. E., the First Grand Principal of England, I distinctly assured him that English Royal Arch Masons could enter and remain in our Chapters as freely as though certain intermediate Degrees, (deemed expedient here) had never existed.

Will you now be so good as to explain to the M. E., the First Grand Principal, the Earl of Zetland, that those intermediate Degrees, (viz : Mark Master, Past Master and Most Excellent Master) although under the control of, are not conferred in Chapter at all. They are preliminary and are worked at separate times, each Degree having its distinct opening and closing as a *Lodge*. The Royal Arch Chapter (par excellence) is opened as in England. Candidates for *Exaltation* give evidence of their knowledge of the three intermediate Degrees, but not Companion Visitors. It is only necessary for these last to prove themselves Royal Arch Masons. Therefore any English Royal Arch Mason, whether an installed Principal or not, can enter any one of our Chapters as freely as his own, be present at the opening and remain and witness the whole ceremony of Exaltation, and assist at the closing of the Chapter. He need not retire therefrom for one moment, unless by his own desire made known in the usual manner. You may rely on the correctness of this, and I do earnestly hope that what I have now written will remove all uncertainty and difficulty.

I can think of nothing further, except to assure you of the anxiety of the Grand Chapter of Canada and myself, as its temporary Head, for the establishment of the most lasting and sincere cordiality between the two Bodies.

I hope I shall hear from you very soon, and would request you to address me here. Your last letter went to Toronto in the first instance. Wishing you the old English compliments of the season—a merry Xmas and happy New Year, believe me, dear Sir, and Ex. Companion,

Yours very fraternally,

T. DOUGAS HARINGTON, G. Z.

Grand Chapter of Canada.

Excellent Companion,

WM. GRAY CLARKE, ESQ.,

Grand Scribe E., &c., &c., &c.

The M. E. Z. appointed the following Companions a special committee, to take into consideration the various subjects contained in the Address and Report thereon to Grand Chapter at an early hour, viz: R. E. Companion J. C. Franck, E. Companions W. H. Pardey, and E. Heathfield,

The following report from the Grand Superintendent for the Toronto District was read:—

REPORT:

To the Grand Chapter of the Royal Arch Masons of Canada.

In compliance with the requirements of Grand Chapter I beg to submit a report of my proceedings since my appointment to the office of Superintendent of the Toronto District.

Having only two Chapters, viz., the St. Andrew's and King Solomon's R. A. Chapters, under my charge, and both of these meeting in the city of Toronto, the duties of my office have been necessarily light, indeed confined entirely to occasional visits, during which it has given me much pleasure and gratification to witness the excellence of the work, it being strictly in accordance with the ritual adopted by Grand Chapter—they are also in a very prosperous condition, and have recently made large additions to their numbers. It gives me great pleasure to report both these Chapters in a highly efficient state.

Whilst, however, the Chapters in this District, under the Grand Chapter, are in this flourishing and satisfactory condition, it is my duty to report that the unity of the order is to some extent broken by the existence of St. John's R. A. Chapter,

hailing from the Grand Chapter of Scotland—this Chapter is also in a very prosperous condition, and it is much to be regretted that all attempts that have been made to induce the Companions composing this Chapter to affiliate with your Grand Body have proved unsuccessful—their plea for not doing so is that the Grand Chapter of Scotland gives them power to confer several degrees not known to this Grand Chapter, and further, that it does not require fees of any kind from them. I refer to these matters as not unimportant, and in the hope that Grand Chapter will take the subject into its serious consideration.

One other matter requiring, in my opinion, the immediate action of this Grand Body, arises from an intimation made to me by a Companion correctly informed on the subject, that an application is about to be made by certain Companions exalted in the St. John's Chapter of Toronto, to the Grand Chapter of Scotland, for a warrant to hold a Chapter in the town of Whitby; whether this application will or will not be successful, I am unable to say, as I am not aware of the relations subsisting between the Grand Chapter of Scotland and this Grand Chapter, but I presume that should such an attempt prove successful this Grand Body could not recognize any such organization, for whilst the Canadian Chapters are prepared to recognize all Chapters in existence and hailing from either of the Grand Chapters of England, Ireland and Scotland, at the time of the formation of this Grand Chapter, yet the interests of the craft imperatively demand that no new Chapters shall in future be recognized, unless emanating from and under the authority of the Grand Chapter of Canada.

All of which I have the honor to submit,

FRANCIS RICHARDSON,
Grand Superintendent, Toronto District.

Toronto, Feb. 7, 1860.

The report was received and ordered to be printed with the proceedings.

Report of the Grand Superintendent for the Central District :

REPORT :

To the Most Excellent the Grand Council, Officers and Companions of the Grand Chapter of Royal Arch Masons of Canada.

M. E. COUNCIL, OFFICERS AND COMPANIONS,—

I have the honor to submit the following annual Report, as required by the Constitution of this Grand Chapter. When at

the last annual Convocation I was honored with the appointment of Grand Superintendent for the Central District, I had only two Chapters in the District, namely, "The Ancient Frontenac" Chapter of Kingston and the "Moirs" Chapter of Belleville, both working in accordance with the established ritual of England.

The first named being the oldest Chapter in the Province, requires no commendation at my hands, it ranks amongst its members a great number of the old veterans of the Craft, and that distinguished Mason the R. E. the second Grand Principal, Companion S. D. Fowler, I need hardly add that their work deserves the highest wages, the approbation of the Craft.

The latter, although established but a few years, bids fair to become a model Chapter under this jurisdiction, the skill of the Officers, and the laudable enthusiasm of the Companions, is bound to accord to their Chapter a high position in the Craft. No Chapter has as yet been established nearer east than Kingston, or west than Toronto, and no doubt exists that the number of members, already large, must be greatly increased every year.

During the past year an old Irish Warrant, attached to the Duke of Leinster Lodge No. 283, in the city of Kingston, was revived by a Dispensation of affiliation under the name of "Cataraqui Chapter," I recommended their application to the M. E. the First Grand Principal only after personal and anxious examination concerning the requirements of the Craft in that city, and in asking at your hands a Warrant of Confirmation I may safely promise that the granting thereof will be followed by the most salutary results to the order in that city. A new Chapter was also opened during the month of January, called the "Carlton Chapter," at the city of Ottawa, for which I now beg to apply for a warrant of Constitution, I need only mention the names of the First Principal of this Chapter, namely, Excellent Companion, Col. W. J. B. McLeod Moore, to enlist the unanimous vote of the members of this Grand Chapter. To my great regret I was unable to attend the opening of this Chapter, the Companions however were much better served by the attendance of the R. E., the second Grand Principal, and other distinguished members of the Ancient Frontenac Chapter of Kingston.

All the other Chapters I have visited during the year with much pleasure to myself, and here express the most sincere gratitude to the Companions for the kind reception they have at all times accorded me.

The means of promulgating the ritual adopted by this Grand Chapter at its last annual Convocation, will, I doubt not, engage your attention during the present Session, as the general want

of knowledge of the work so established is at present most severely felt.

I cannot close this report without mentioning the attention which all my communications have received at the office of the Grand Scribe E., and which attention has not only much encouraged but greatly assisted me in my humble efforts for the benefit of Royal Arch Masonry in the Central District.

All of which is most respectfully submitted,

J. C. FRANCK,

*Grand Superintendent of Royal Arch Masons,
Central District.*

Officers and Representatives.

The Special Committee appointed to consider the subjects in the M. E. Z's address, submitted the following

R E P O R T

To the M. E. Grand Principals, Officers and Membres of the Grand Chapter of Royal Arch Masons of Canada.

Your Special Committee to whom was referred the address of the M. E. Z., most respectfully beg leave to report—

That they join in the regret expressed by the M. E. Grand First Principal, at his inability to be present at this Convocation of Grand Chapter, and they doubt not that only the importance of private avocations could have occasioned his absence.

Your Committee are much pleased to observe the prosperous condition of the Royal Craft in this province, and fully concur in the recommendation that Warrants should be granted to the four Chapters under dispensation.

It affords your Committee much pleasure and satisfaction to learn the recognition of this Grand Chapter by the Supreme Grand Royal Arch Chapter of Scotland, as also that the objections to a cordial recognition which were at first advanced by the Supreme Grand Chapter of England have been most satisfactorily

explained in the correspondence of our M. E. Z., and that its recognition may be confidently anticipated before many weeks are passed.

Your Committee observe with evident satisfaction that the M. E. Z. has embraced a review of the proceedings of twenty two of our sister Grand Chapters of the United States, who have fraternally exchanged sentiments with us, during the past year; the labor attached thereto has doubtless been a severe tax upon his valuable time, for which the thanks of this Grand Chapter are most especially due.

With reference to those Grand Chapters which have as yet delayed a recognition, your Committee have no desire to express other than the most fraternal and friendly feelings, nothing doubting but that when all the circumstances of our position have been fully and fairly considered, a warm and hearty recognition will be promptly accorded.

Your Committee fully approve of the sentiments annunciated by the M. E. Z., on the subject of the formation of new Chapters in Canada. This Grand Chapter cannot possibly give countenance to other Chapters than those organized by and under its own sanction, all others are, and must be, looked upon as irregular, consequently no communication can be held with such, and your Committee feel fully persuaded that after the cordial manner in which the Supreme Grand Chapter of Scotland has recognized the authority of this Grand Chapter, it would never be instrumental in fostering or encouraging a feeling that would be the means of spreading dissention and discord in our midst.

Your Committee are of opinion that the notice of motion given by R. E. Companion J. C. Franck, at the last annual convocation, with reference to the future assembling of this Grand Body, in no manner affects this convocation, and for the present its adoption is considered to be prejudicial to the best interests of this Grand Chapter.

It is a well known fact that our order has of late been made to serve the base ends of designing knaves who have thrust themselves upon the unwary with the most insinuating manners, bedaubed with symbols they could lay no just claim to wear, thereby hoping to advance their worldly interest, prostituting the institution to base and unworthy purposes, and your Committee fully support the recommendation of the M. E. Z., that all true and zealous masons should exert every means in their power to discountenance such an unwarrantable imposition on the order.

All of which is submitted,

J. C. FRANCK, *Chairman.*

The first of these is the fact that the United States is a young nation, and its history is therefore a history of growth and development. It is a history of the struggle for independence, of the struggle for the establishment of a new form of government, and of the struggle for the expansion of the territory of the United States.

The second of these is the fact that the United States is a nation of immigrants. It is a nation of people who have come from many different parts of the world, and who have brought with them their own customs, languages, and religions. This has made the United States a melting pot of different cultures, and has given it a unique character.

The third of these is the fact that the United States is a nation of pioneers. It is a nation of people who have gone out into the wilderness, and who have built a new life for themselves. This has given the United States a spirit of adventure and exploration, and has made it a nation of frontiers.

The fourth of these is the fact that the United States is a nation of freedom. It is a nation of people who have fought for the right to live in peace and harmony, and who have established a government that guarantees the rights of every citizen. This has made the United States a model for other nations, and has given it a reputation for freedom and democracy.

The fifth of these is the fact that the United States is a nation of progress. It is a nation of people who have always been looking for new ways to improve their lives, and who have been at the forefront of many of the great inventions and discoveries of the world. This has made the United States a nation of innovation and progress, and has given it a reputation for leadership in the world.

The sixth of these is the fact that the United States is a nation of unity. It is a nation of people who have learned to live together in peace and harmony, and who have established a government that represents the interests of every citizen. This has made the United States a nation of unity and cooperation, and has given it a reputation for strength and stability.

The seventh of these is the fact that the United States is a nation of hope. It is a nation of people who have always been looking for a better future, and who have been at the forefront of many of the great movements and reforms of the world. This has made the United States a nation of hope and optimism, and has given it a reputation for leadership in the world.

The eighth of these is the fact that the United States is a nation of love. It is a nation of people who have always been looking for ways to help others, and who have been at the forefront of many of the great acts of kindness and charity of the world. This has made the United States a nation of love and compassion, and has given it a reputation for goodness and beauty.

The ninth of these is the fact that the United States is a nation of faith. It is a nation of people who have always been looking for a higher power, and who have been at the forefront of many of the great religious movements and reforms of the world. This has made the United States a nation of faith and devotion, and has given it a reputation for strength and stability.

The tenth of these is the fact that the United States is a nation of peace. It is a nation of people who have always been looking for ways to end war and conflict, and who have been at the forefront of many of the great movements and reforms of the world. This has made the United States a nation of peace and harmony, and has given it a reputation for leadership in the world.

The eleventh of these is the fact that the United States is a nation of justice. It is a nation of people who have always been looking for ways to establish a fair and just society, and who have been at the forefront of many of the great movements and reforms of the world. This has made the United States a nation of justice and equity, and has given it a reputation for leadership in the world.

The twelfth of these is the fact that the United States is a nation of wisdom. It is a nation of people who have always been looking for ways to improve their lives, and who have been at the forefront of many of the great movements and reforms of the world. This has made the United States a nation of wisdom and knowledge, and has given it a reputation for leadership in the world.

The thirteenth of these is the fact that the United States is a nation of courage. It is a nation of people who have always been looking for ways to overcome adversity, and who have been at the forefront of many of the great movements and reforms of the world. This has made the United States a nation of courage and bravery, and has given it a reputation for leadership in the world.

The fourteenth of these is the fact that the United States is a nation of honor. It is a nation of people who have always been looking for ways to establish a reputation for excellence, and who have been at the forefront of many of the great movements and reforms of the world. This has made the United States a nation of honor and glory, and has given it a reputation for leadership in the world.

APPENDIX.

Since the Annual Convocation of the Grand Chapter, the following letter has been received at Quebec by the M. E. Z., from the Grand Scribe E., of the Grand Chapter of England, by which it will be seen that the assumed difficulties, to a full and fraternal recognition, have been amply explained, and that now the most harmonious feelings exist between the two Grand Chapters :

“ FREEMASONS’ HALL, LONDON, W. C.

“ February 10, 1860.

“ MOST EXCELLENT COMPANION,

“ I have the honor to inform you that your letter of the 20th December last, received the 10th ultimo, has been duly submitted to the consideration of the three Grand Principals of the Supreme Grand Chapter of England.

“ They are gratified to find that no obstacle now interposes to prevent official relations being established between the Supreme Grand Chapter of England, and the Grand Chapter of Canada, and relying on your assurance that Royal Arch Masons under the Constitution of the Grand Chapter of England, whether installed Principles or not, can enter any of the Chapters under the jurisdiction of the Grand Chapter of Canada, be present at the opening, and remain and witness the whole ceremony of exaltation, and assist at the closing, and that they need not retire for one moment, unless at their own desire, although they are not in possession of those *intermediate degrees* of Mark, Past Master and Most Excellent, which are deemed essential to be taken by all candidates for exaltation in Canada, previous to admission to the degree of the Holy Royal Arch. I am instructed to state that in the name and on behalf of the Supreme Grand Chapter of England, they—the Grand Principals—fully recognize the Grand Chapter of Canada, reserving, however, to all Chapters now in Canada, who are still holding charters under the Grand Chapter of England, as also to all English Royal Arch Masons, all their rights, titles and privileges, as fully and freely as though the Grand Chapter of Canada had not been formed.

“ I have the honor to be,

“ Most Excellent Companion,

“ Your Faithful Servant and Brother,

“ WM. GRAY CLARKE,

“ T. DOUGLAS HARINGTON, ESQ.,

“ G.S.E.”

“ Grand Z. Grand Chapter of Canada,

“ Quebec.”
